Company Profile

Founded in 1999, South African Hospital Supplies (Pty) Ltd, is a privately owned South African company that specialises in the import, manufacture and distribution of Medical Disposable Products and Devices. SAHS also makes use of various local manufacturing facilities within South Africa.

Our management and team all have many years experience in the South African medical field and are all committed to providing the best quality products and services, thereby creating the best possible value for our customers. Our product mix consists of a wide range of products varying from Specialised Gynae Electrosurgical

disposable pressure transducers, assorted disposables, medical textiles, packs, antiseptics and disinfectants, disposable hospital apparel, oxygen therapy and urological products.

Our sales network is throughout South Africa with offices and sales staff in Cape Town and Gauteng and further sales staff/agents in Bloemfontein, Kwa Zulu Natal and Gqeberha.

Our vision is patient safety and customer satisfaction and together with our local and overseas partners we endeavour to achieve this. range,
